Help Make Dreams Come True

One of the most rewarding experiences in the sport of triathlon comes from giving back to your community through volunteering. The people you will meet throughout the weekend and race day will touch your heart two fold. Their race simply would not be possible without the amazing volunteer community.

So, tell your friends, family, co-workers, and neighbors to be part of this epic event in June.

IRONMAN Foundation

In an effort to enhance the well-being of those in our race communities, the IRONMAN Foundation offers a grant program to support local organizations that have a volunteerism component. Since 2003, over \$50-million has been provided to more than 9,500 local, regional, national and global nonprofit initiatives across all programs. More than \$2-million was provided in grant funding in 2020 in 75 race communities.
