2021/22 08U Youth Basketball

Local League Basketball Rules

A message from Roanoke County Parks, Recreation and Tourism - The purpose of the 08U is to provide youth who have limited or no previous organized basketball experience the opportunity to learn the sport in a safe, positive and fun environment. To achieve this, the following local league rules have been adopted for the league. Please note that coaches from each team are given certain liberties (official's assistant, free throw line up, etc.) that are not typical during organized team play. Coaches should use these opportunities to further teach children the game while deemphasizing winning and losing.

All Roanoke County Parks, Recreation and Tourism Youth Basketball instructional league games will play in accordance with the National Federation of State High Schools rules except for the local league rules listed below.
