

# The 21st Annual Blue Ridge Kite Festival Saturday, April 16, 2022 10 am - 4 pm

## Kite Making Showcase and Contest

### The Kite Criteria

- Kite makers/flyers may register the day of the Kite Festival beginning at 10 am at the Roanoke County Parks, Recreation, and Tourism table & can have their kites displayed during the event. The starting times will be staggered for each event so please see individual starting time for each event.
- Each event winner receives a gift & a certificate in each age group (Age Group 1: ages 12 & under, Age Group 2: ages 13 & up). Exception is the 50 yard dash event which is only open to Age Group 1.
- Kites entered into the contest must be handmade. No store bought or kit kites are eligible for competition. Exception is 50 Yard Dash which can be bought.
- Contestants may enter only one kite per event. However, they may enter every event using a different kite.
- Judges decisions are final.
- Contestants must register prior to the contest start time and display their number at all times while competing.
- Each kite flyer may have an assistant, but the assistant must stay silent and follow the directions of the kite flyer. Kites must fly for a minimum of three minutes.

### Categories

#### **50 Yard Dash (Youth Only): Starts At 12:00 noon**

Open to children 12 years of age and under. Kites will fly on 25 ft. of string minimum & be either homemade or purchased. String will be measured before the contest. Contestants will race to the finish line while flying their kite... assistance OK for launch.

#### **Most Unusual: Starts at 12:30 p.m.**

Entries are judged on theme, construction and design. Judges will look for odd, striking or novel features and shapes with minimum 25 ft string.

#### **Oldest and Youngest Flyer: Starts at 1:00 p.m.**

Prize & Certificate will be presented to the oldest and youngest event contestants. Contestants must fly kite with 25 ft. minimum string.

#### **Biggest: Starts at 1:30 p.m.**

Total surface area, not including tail with a 50ft string minimum.

#### **Smallest: Starts at 2:00 p.m.**

Total surface area not including tail must be less than 12 inches at maximum & string 20 times max dimension.
